2022 CONFERENCE DETAILS

With the ongoing uncertainty of the future and what guidelines will be in place at the time of our event, we continue to modify our typical program and stay in a virtual world for another year!

However, we are currently planning to have one event - the Green Product Expo, our most popular event - **in person!** We will continue to monitor circumstances and will act accordingly at the time of the event.

We hope you will consider joining us and supporting this exciting event!
